

THE PIRATE

T H E

P I R A T E

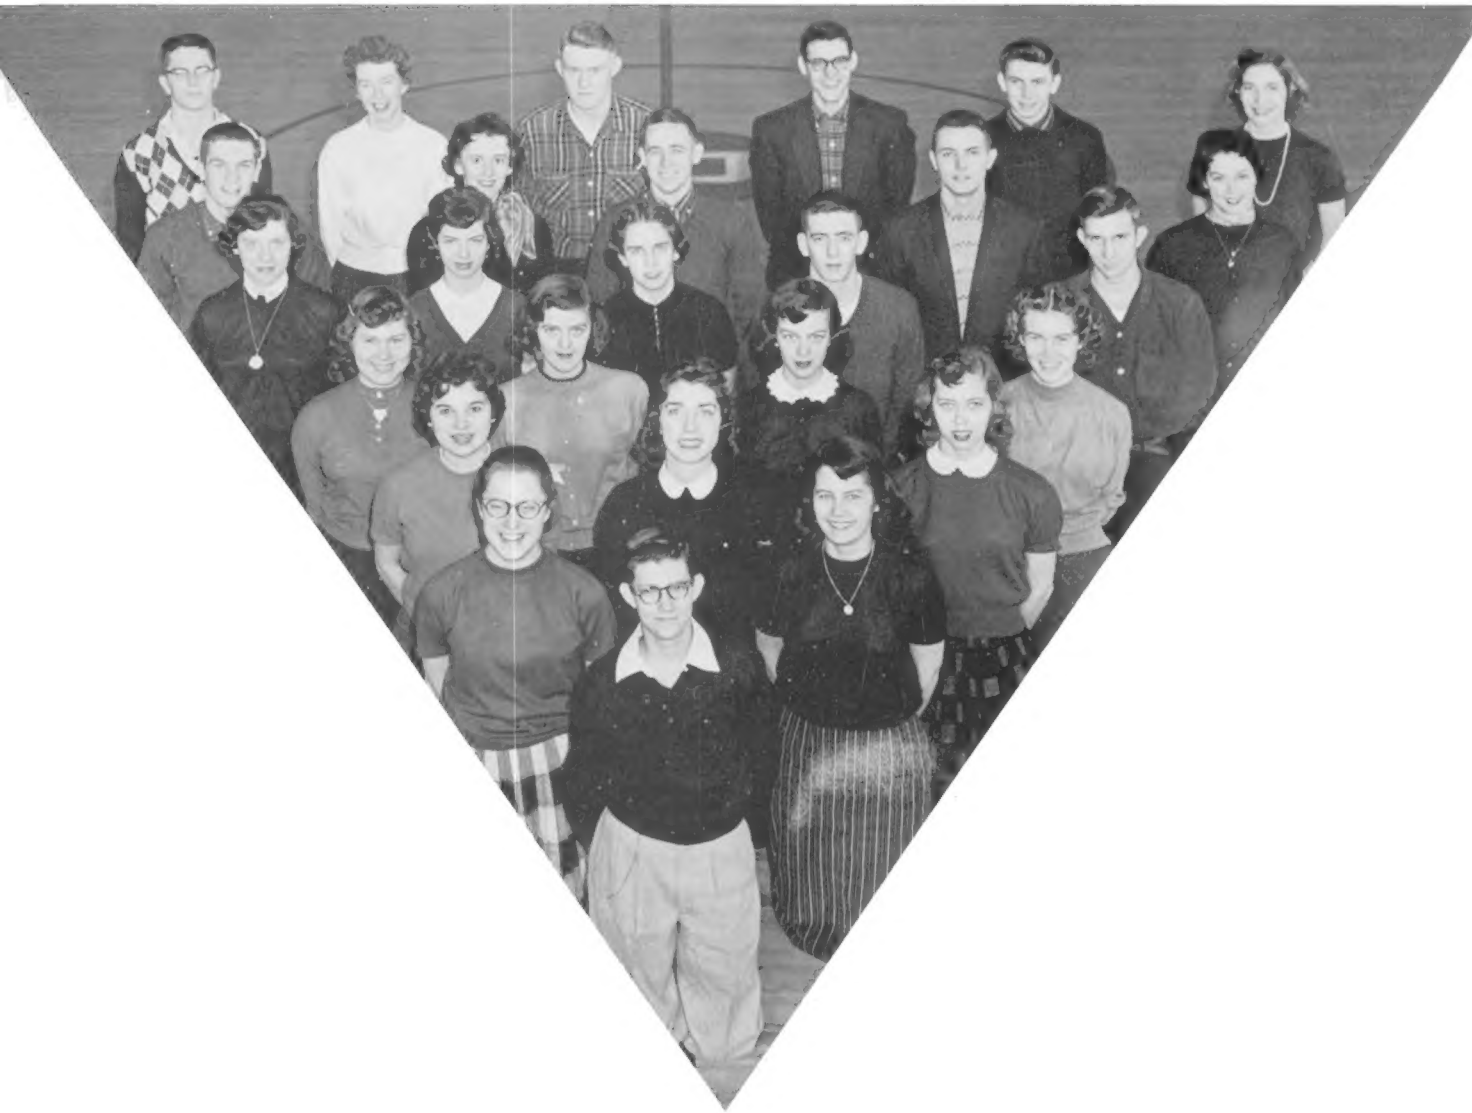

1956

1957

We, the senior class of '57, not wanting our high school days to be forgotten, bring you this annual. These past four years at Berea High have been years filled with activities, joys and disappointments, excitement and discouragement; through all, however, has run a continuous strain of happiness that has made a rich impression upon our lives.

Now, as you turn the pages of this annual, it is our sincerest wish that it will bring you as much happiness as it has brought us.

The Staff

Yearbook Staff

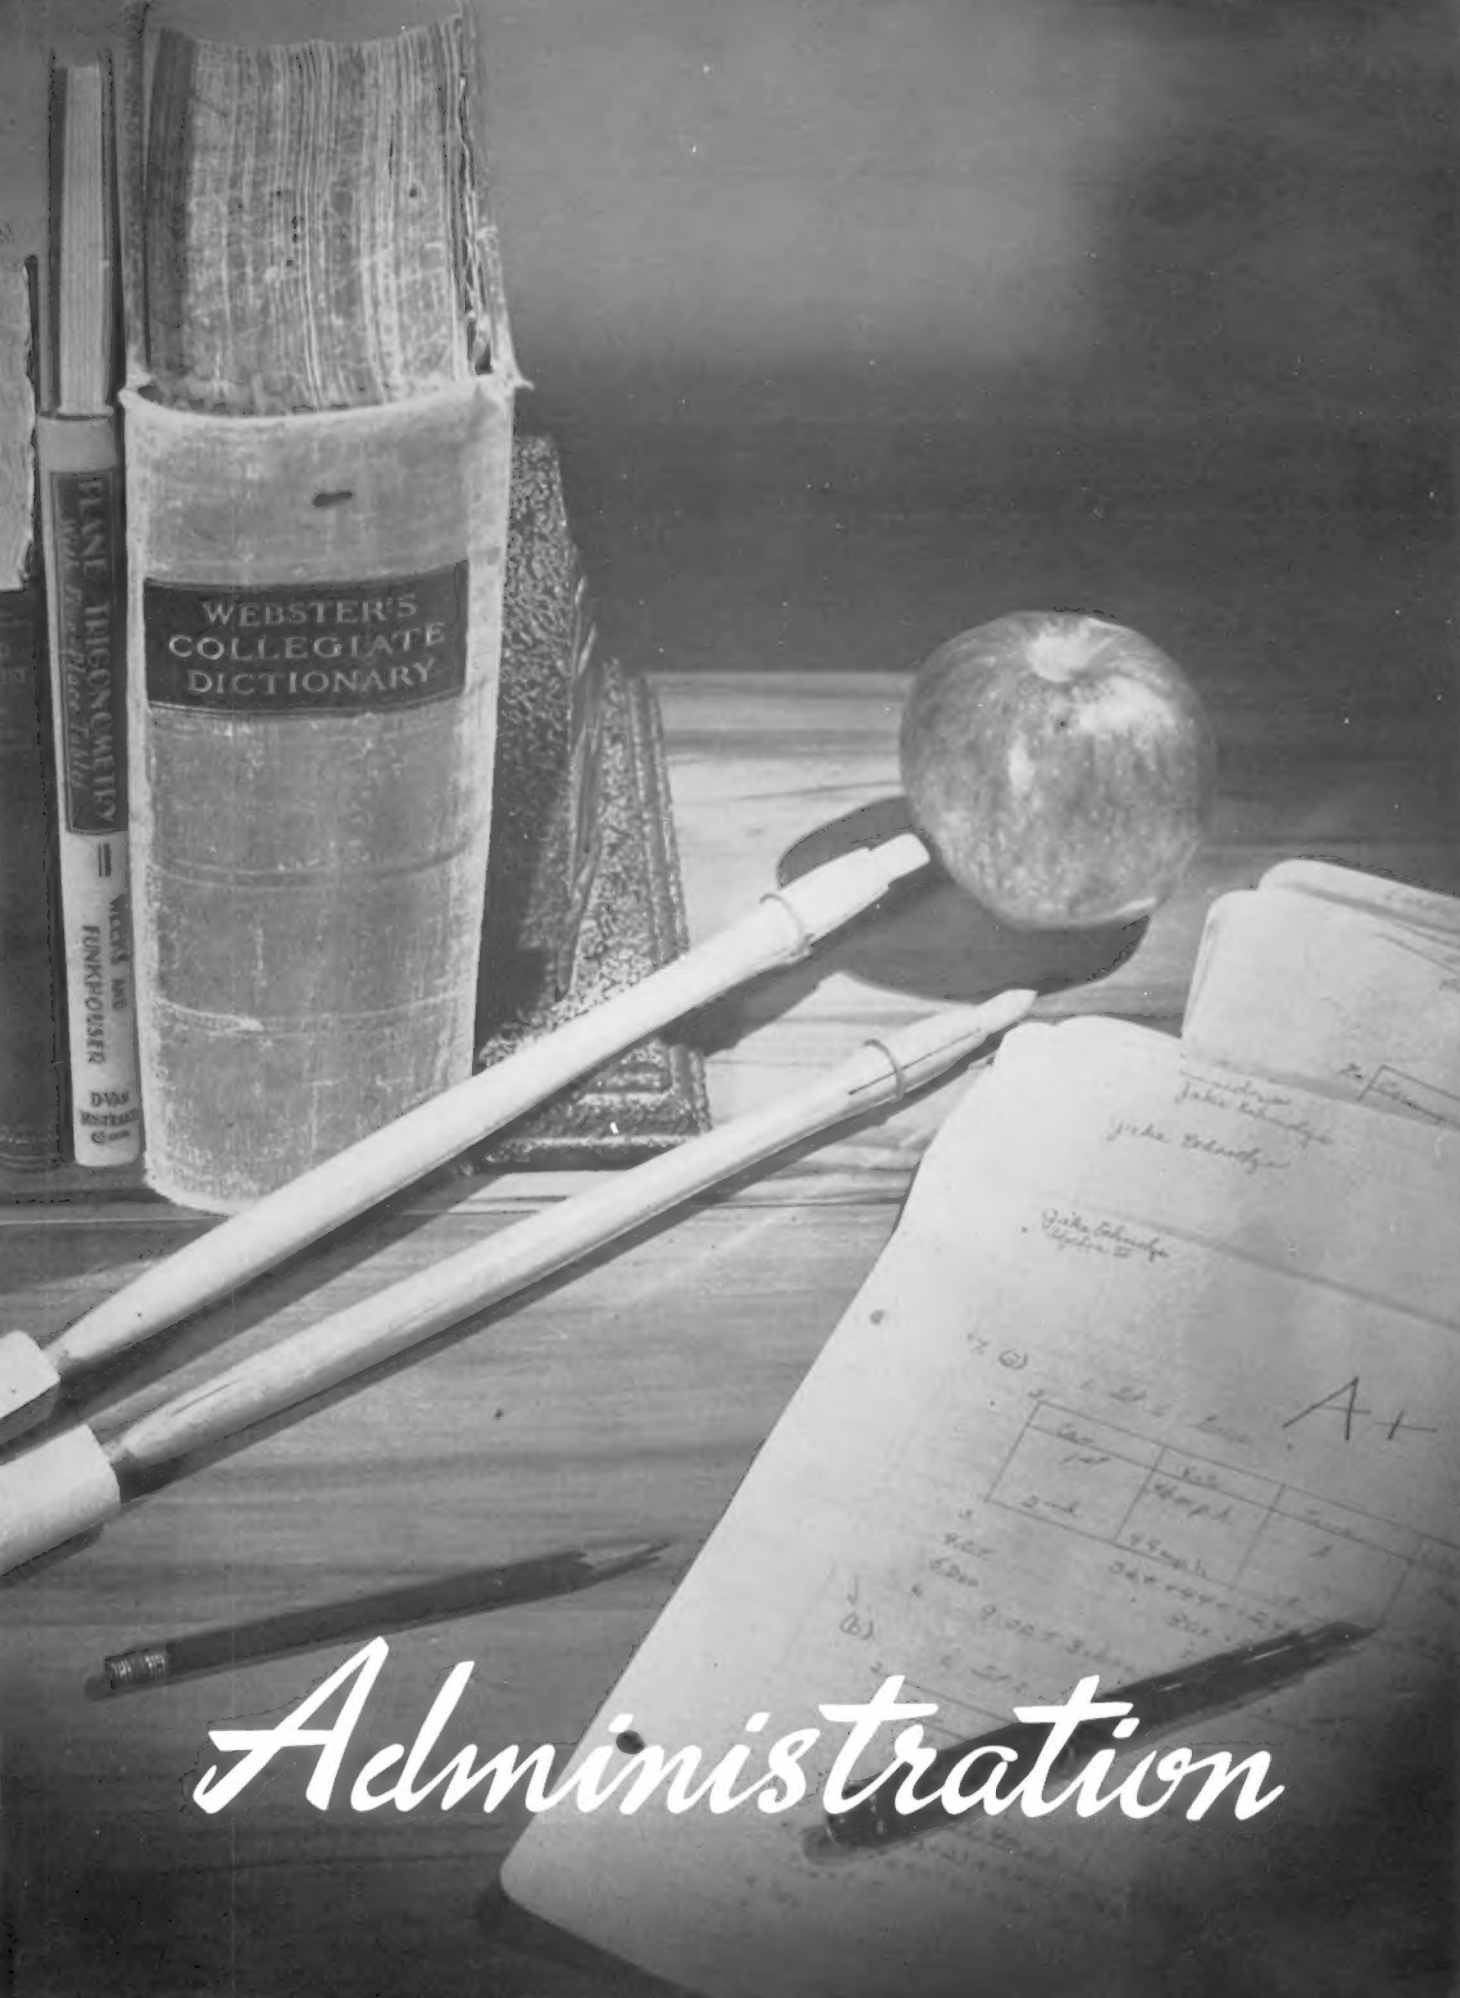

TO YOU, MRS. RAY

To one who has long de-
served this honor we hum-
bly dedicate this yearbook,
a small token of our appre-
ciation.

Congratulations
BAKER BUICK SALES

Administration

Board of Education

Gilbert Jennings, Robert White, Troy Worley.

Bert Barker, Litten Singleton, W. E. Stivers.

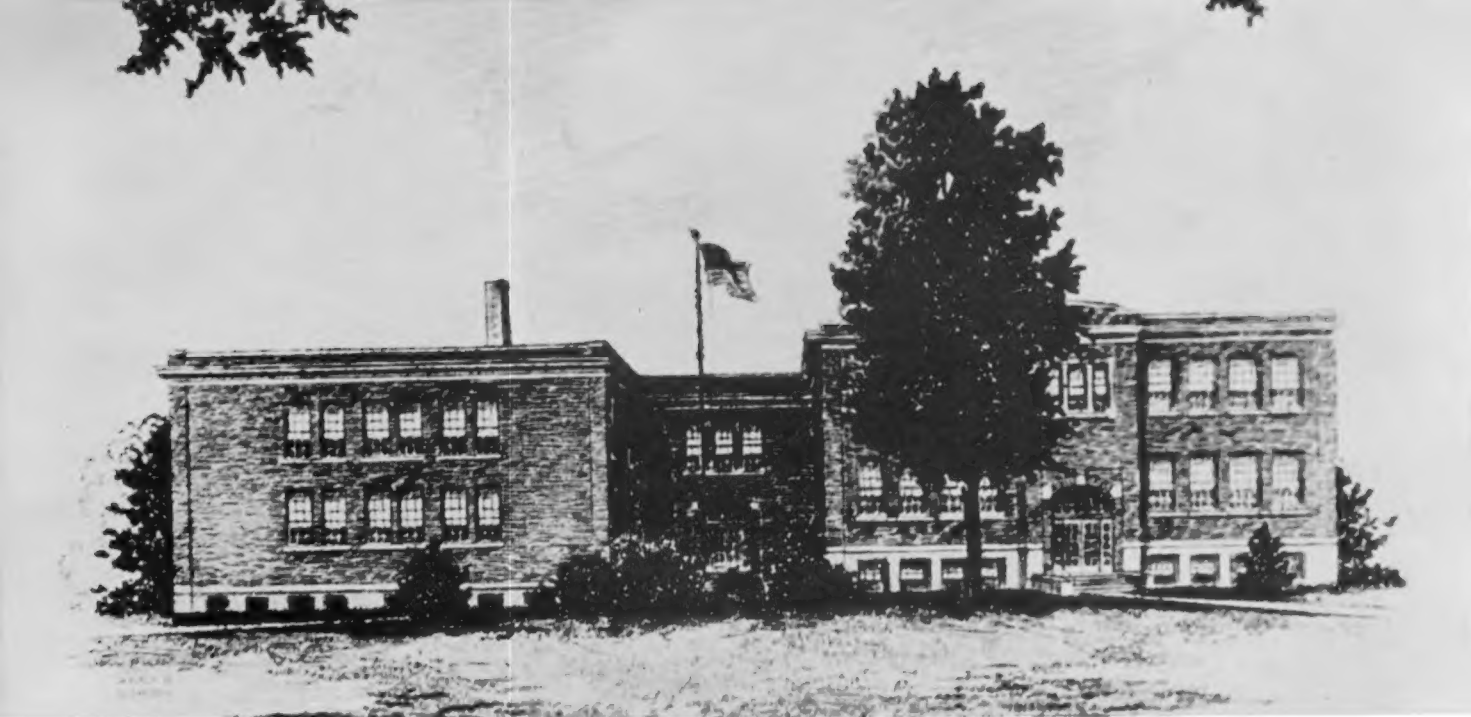

Lit's food stares him in the face.

Although "The Pirate" was planned to presently serve students, teachers, parents, and friends, you will soon find that it fills another purpose. It will be a source of great pleasure in the years to come. When you have occasion to browse and reminisce it is our hope that your association with our school will receive first priority among the influences for good in your life.

It has been good to have you. May work, success, and happiness be yours.
